Subject: outline of lesson , much more to talk about

china.. - it is as important as to who you see on your trip as to who to avoid , if the level is not right you will lose face forever. the chairmen of co's , only approve the decisions , no real power, though they will serve you chinese food on your visit , you should only serve them chinese food from their province when they come to visit. (give face), hand written notes etc. the categories of co's breaks into three state run, private enterprise, govt.. there are 24 provinces and five municipalities,(equiv to provinces) also special autonomous district ,, beijing is a muni,, szechuan a province,, goal is to concentrate on no more than 5 provinces, offices in beijing, only chinese, mainly women , especially for govt less aggressive more attune to face. men can handle entrepreneurs - offices dedicated in london to china initiative (ministers want to visit). You can have direct contact with no more than 20 in country people, dinners at their homes or if in govt- at state owned hotels.
