Hi Jeffrey,

Thank you so much for your call!

My mother, brother and father arrived earlier in day so I am playing a guide and a babysitter.

Not my idea of vacation but sometimes we need to do stuff for our family (I see them 1x year).

In the last moment I decided to stay closer to the central park, so we are in the Hudson hotel.

When I get back in Seattle I will send you several emails re some people/top scientists that I think you should meet soon. Some of them I visited with Bill – and these were both fun and productive.

Again – I appreciate that you are checking on me!

See you very soon,

Your new friend,

B
