Bottom line is I think Jeffrey Epstein should be able to go back into his life.

He has paid his debt to society.

There were many before him, as there will be after him.

It is time to close the book on the bashing of Jeffrey Epstein.

I am also sure that if the courts see fit that there is to be civil suit payouts, then they will be paid.

Jeffrey Epstein is a Brilliant person who just slipped this time in his life.

He has done many wonderful things in his life.

Time to Forgive and Forget.

This life of ours is too short for this soap opera to go on.
