Andrew, The economy is looking up, the opportunities are many. If you are serious. lets do something together, it should be easy. My discipline is to have all negotiations via an email trail. so that there is never a misunderstanding on either side. Look forward to hearing from you.

Hi Andrew

Further details on our last conversation. Do you currently have a corp that you would use for the acquisition? , or would you want to form a new llc, if the going public option is viable, maybe a corp makes more sense. ( all the normal add- ons antil dilution,tag along drag along etc ) - If you want to buy other agencies for paper , a higher valuation may be in our interest. , otherwise you might consider assuming debt ( lc and irs ) and putting up smaller amount of cash. 1.5-2m. With the economic crisis not yet in its springtime. there are many things to buy.

I shall be back in NY on Thursday and will speak with Megane. I don't know her enough to do it on the phone

Take care
