my suggestion I ask yourself.. could I be wrong and jeffrey right? , if the answer is no, that should tell you something. i.e. you are holding a false idea. 2. on one hand you don't want to be compared with [REDACTED] and then you say but you don;t critize [REDACTED] for the same things that I do. 3. ask yourself, when jeffrey is having fun, how do you feel. why i am not there? , I can do what she does? he is ridiculous. if i were to do that ..., how about i'm really glad he is having fun ,.4. you have [REDACTED]. though i have encouraged excercise, you tell me you are [REDACTED] it only works if you do it 2 or 3 times a week, i had no time, I did it. .. then though you do a lubo job at it, you tell me i make you feel insecure about it. 5. I told you that it would be difficult for an outsider to accept my behavior. less than 10% . . You. believe that same person will ,when told about your lifestyle, , will side with you , and say well it appears that you do so much, and try so hard, I believe you get the short end of the stick. 6. You refuse to accept responsibility for your actions. I'm sorry it won't happen again. ,, no 0-0you attempt to justify it. - I tasted it , and it was good, noyou should have known. IF someone else did it you would n't complain, . 7. did you thank [REDACTED] for trying to teach you. no, did you make her feel welcome, no, did you make the weekeind more or lesss pleasnt. did you think of anyone but yourself. no. . when i asked about [REDACTED], the lubo response, ,,well - i was there., did you help ,, iwas there, did you make it easier or not, well i was there, the pefect example.. I didn;t do anything , but my presence should be enough. . you can exlpalin that last sentence you any trusted third party you choose. . I have again asked for suggestions. and received none.
