Maybe not but all the doctors you pay directly keep you well informed about my 'treatments' anyway and with this one I don't feel comfortable in that situation.

I was suggesting that you wrote ( refer) that "all the doctors keep me informed.." once again total fabrication based on nothing but your misplaced suspicion. I have never once invaded your privacy ,, not once. this is the reason it is difficult for me to listen to you or in your words be open . open for you means accuse me of another petty transgression.
