I haven't gone to sleep yet.. I am not sure how to respond. I would never intentionally do anything to hurt you. I am disaapointed that when you see i look nice you say shit, when i get to come to new york m you say thats bullshit, when i appear happy on the phone you discourage it. I am not having an affair with [REDACTED] i have offered all opportunities for you to confirm.. I do not remember 301, but,, i can't say it didn't happen.

It's hurtful. I will have to look at this slobbering russian who thinks she is important to you, walking around 301 wearing your clothes and visiting you in florida while you and I are going through this...really?

She wants to wear YOUR sweaters and you don't see right through it?

.I guess you forgot you also told me she wouldn't stay at 301
