All I needed to see was you actually taking a step to do what was important to me .. no naps no movie watching, no [REDACTED], no [REDACTED], these are all the same, just this one thing. , jeffrey doing something he detests just to demonstrate to [REDACTED] that he is willing to give up what he believes in. no matter how little he receives in return.. It is just one more thing. no more no less. you seem content not to deal with your actions. only mine. it is not helpful constructive or fair.
