hope you had fun.. you use words like it seems absurd. . why did you take her for a bike/atv ride , i would have gone. ? why does she/they have to sit on the couch, ? why did you give her attention. ? why did you pay more attention to sarahs birthday.than mine why did she/they look at me that way? , why didn't you criticize her. ? why do you need to have x, . I went to school (cooking) as you asked. (as if the act of going to school was the issue and not the proficiency of the product produced). I am too busy, I have no time, - I cater to your every wish. I learned indian head massage. gibby massage, thai, riding , photo, flying, flower arranging, cooking, driving, race driving, punching, procedures, stocks, options, drafting, and you want me to run errands.
