our emails must have crossed in cyberspace. , i have read emails regarding your cooking four years ago. when no one wanted to eat it, but you got upset that we told you it was good. why didn't you tell the truth you asked. didn;t want to hurt your feelings. but that is insulting. ok. then it became , this is inedible. your response, I followed the recipe, , ok, i can;t eat it, , your response, I like it, , if someone else made it you would eat it. then i read my consistant fall back, ok, I love you. lets not argue, why don't you just not do it. I 'll ask someone else to do it. I trust you. I have never questioned your loyalty . you took real estate classes , ged classes, somehow these must have been immediately beneficial to me, though i don't know how. I trust you , I want honesty, I say I gave her the sox by mistake, she is helpful, she is funny, jojo is great, these are declarations of war. and days of pain. Cathy /miles asked me to do the dishes. jojo dropped me in the middle of the street, [REDACTED]/ghislaine is acting in charge, they are employees. . [REDACTED] the life i want is primarily composed of honesty fun easy. varied, healthy, interesting, novel, comraderie, quality , intellectually challenging, I can't exist in the world of bitter, petty, trite, irresponsible, mundane, pedestrian, conflict laden, fragile, craft versus art, noise versus music, rehearsed versus creative , restricitive versus inspiring, astrology, tv, white bread, .re thelist of girls - hardly complete but i thought id give you a flavor.

Yes, the list is difficult to justify. Is there anything else you want to tell me before I come up with something ?

Not on my end but I am sorry to see you so indifferent. I know a lot of it is my fault and I Am embarrassed when I hear you recap my old emails. I don't remember many of these girls and issues but they sure sound absurd
