why don't you re-read it.. you have broken your promise,, you want to spend the weekend with [REDACTED], i don't trust you. , i can't trust anything you say. - last night i asked for suggestions --you offered silence,, i asked what the non-easy way out was.. you offered silence. now that you want to leave for a month.. spend the time as you see fit. ( Is that supposed to be different than how you have spent your time till now.? The question i have asked for months is what is it that you would like to contribute,, I have asked that with [REDACTED],and each one of your shrinks. to suggest that what you will now contribute is to allow me to do as i please,, or in your words supporting my likes. that is not a contribution at all. .. If you were not there , it would be no different,, you seem to suggest your contribution is that you will stop hitting me in the head, ( like the village idiot, who hits himself). so that it will feel good when it stops.. I am trying to be a friend,, you tell me the important date is the 23, please forward info that confirms that.

I am sorry you see the email as an attach. It was meant as an explanation of how I got to my suggestion for moving forward.
