Jeffrey,
I postponed my trip to see the Boeing today, they are still trouble shooting an item regarding fuel quantity at this time.

S76 update:
I had a conference call with Chris Schurkus and Joe from Keystone, the goal is to have your S76 ready for acceptance flights on Jan 15th, I have requested this in writing from Chris, so we can request another delivery penalty if we do not have the helicopter ready to display for the Jan 21st Ferrari show at Jet Aviation in West Palm Beach.

thank you.
Larry
