Hello Leslie,

I have been in contact with a very fine general estate manager, Kevin Vanacore. He is currently working with the heir of a large American family out of Chicago. His responsibilities are extremely varied i.e. running a horse farm, building a super yacht, houses, chiefs, airplanes ...etc. I really like this Kevin. I have found him capable and honest with a great sense of humor. I think he is in his mid 50's. He asked me if I had any ideas for him. I would hire him myself if I had enough for him to do !!

I think he would fit in with your team.
Let me know if you are interested in speaking with him.

I hope all is well with you.
My best to Jeffrey.

Heidi H.
