Hi
I would like to introduce you too Henri and have us talk on the phone first
Can I set up a conf call so that Henri might take you through the business plan for you...I would like to do this today or tomorrow.
He is on board to have me be the creative director as he really wants to groom me for Director on one of his upcoming movies...he feels the Zeff brand could be a good team up with the right team on his side.
Movies are my passion and he and I have talked about this for years...he believes that with this movie I can make my creative debut..the director for UFO is in on this.
Anyway I will call you later
Thanks
