Here's where we are now with this --

Barnaby, John, and I will all be at a meeting in San Juan, Puerto Rico, until the morning of Feb. 21. We want to head to see you directly after that meeting. Taking commercial airlines, there are no direct flights; however, it appears (I don't know for sure) that this could be a 45 minute flight if it's possible to go directly/privately. Barnaby said he would look into the possibility of chartering something. Meanwhile, you'd offered to "send a plane" to get us all there -- if that's something you're game to do, let me know.

Can't wait,
XOXO
