are you taking pills or powders or supplements of any type. ? your aggressive attitude , is surprising. I spent over an hour with your shrink , in a sincere attempt to find a solution. no sign of appreciation, no thank you , just you complaining that i shouldn't have told her that you don't want her to read emails. she is your doctor. you would like her to diagnose a problem, without the info she says would be helpful. This was her idea. so that she could understand the communication breakdown.
