I say you haven't rubbed my head at the computer. your reponse was I tried to rub your shoulders ONCE and you told me , to leave as you wanted to work,, Therefore , I didn't even ask in the future.. exactly like i said i didn;t want breakfast one day, and you said , the reason you didn;t do anything for the rest of the week at any meal,was that i had said at that time, I don;t want anything to eat
