I have been there for you for years, you take great pride in your "I won't take that , outbursts ". Jeffrey you always turn " toxic" . Jeffrey , I think 100 thousand is not enough, " , Jeffrey, piss off . I make jokes at my own expense. you look to interpret them in a way that lets you react angrily. taking your frustrations out on me. You have followed your own path, in the face of overwhelming conflicting advice. regina held on and made it, is equivalent to my friend won the lottery so , I know i"M next . has been your mantra. YOU have much to give, but the anger, bitterness, stubbornness with which it accompanied is not productive.
