Hi jeffrey.

it was so great to see you the other day !

I just wanted to say when you asked me the other day if there was anything you could do for me I was afraid to ask because things are very tough for me lately ( aside from the fact I have a great boyfriend ) and I had to really think through my head what to ask and what is most important that I needed . So thats why I didnt answer right away about what you could do for me . Any amount of help I am truly grateful for . Anyways talk to you soon , miss you.

P.S

If I get in to a college what do you think I should go for ?
