so the geniuses agreed to cover their error (the stock had since gone up)
by the time they did that, it went down, so it worked out ok in the end

idiots

Good morning,

You are short 2,500 shares of Genco Shipping (GNK)
because 25 options were assigned to you. This means that

you have to buy 2,500 shares of Genco Shipping. I have also attached a spreadsheet of your realized gain/losses for 2010.

Please contact us if you have any questions.

Regards,

Bekim Nebija

you told me that I had to make some decision as to what to do today; I do not understand why or what remains to be done

Hi Roger,

As I mentioned, you were assigned on 25 of the Genco Jan10 20 calls. This means that you will have to buy 2,500 shares of GNK to cover. Today you covered (purchased) the 40 short contracts you had in the

account, but we should have only covered 15 due to the 25 that were exercised. Your trade will be adjusted so that you only cover 15, not 40 contracts.

Please contact me if you have any questions.

Best regards,

Bekim Nebija
