since this morning your question was when do you get your day off. not how can i learn massage, nor do you mind if i go excercise, no , though i asked for the past two days, well i haven't learned anything from the video . had you actually wanted to do as i asked, you could have asked [REDACTED] if someone could teach you , igor, anyone,, you did absolutely nothing but tell me i did as you asked ,I watched the video , but it didn;t help.. not what can i do to learn , not jeffrey i need help,, nothing except, i watched the video, and forgot most of it. and it didn't mean much. fortune teller , and tarot are the same . you focus on silly word games, .. why don't you tell me , what the difference is since you have returned.. what have you done. ? Instead of taking my last evening comments in the spirit in which they were meant, ,you asked that i should have told you right away. THIS IS CRAZY.. you were going to be helpful. if it were me I would have spent the necessary time reviewing the dvd until i understood it.. you. in unfortunatley typical fashion said i did as you asked i watched it.. as if that were the goal.

it is only relevant that you told him that today was your DAY OFF< you told him stories ,,that you shouldn't have, you were no help , at all , your day off was so that you can have time for yourself. that does not mean you act like a brat. this is tedious.

No, that's 5 unrelated stories combined. I told told him about a fortune teller not tarot lady. I said you wake up at 5.30 when he asked. An hour later he asked me if I cold stay up for 24hrs so I said yes, I'd rather stay up late than get up early in the morning.
And why is this relevant

HE has repeated my day , off day off,, not free day.,. you are free to ask him , he said you told him about zuzanna and the tarot lady. he said you didn't want to wake up at 5 30, i guess he must have just imagined this accurate story,,

I definitely did not tell him that.

I said I wanted to go fly today instead of buying a rabbit because I can only go on my free day and I run your errands on other days. When he asked me to give him an example of an errand I said I got magazines..

jean luc told me , that you told him, that i pay for your flying lessons , that is why you have to do things. and today was your day off. he told me you told him a number of times and then you told him in response to what do you do, you told him you have to buy newspapers. what are you thinking.
