Pick the time. On Friday, earlier in the day is best; Tuesday doesn't matter.

Best numbers for me: [REDACTED]

The deposition in my case got moved until April; but I wanted to get back to you in February anyway. I'd like to see if I can be of any help in what you are going through with the litigation. I can easily shoot down there and we can sit and talk or we can talk on the phone, whether you want to throw thoughts/questions around or have me get involved in the case(s). I tried quickly to discern what I could from the docket sheets, focusing mainly on what has been designated as the "lead" case grouping them together. I see that you are going to have a mediations session and that discovery has been extended. I also saw that one or two have been settled separately.

You have some cast of characters in these cases. One law firm's email advertises itself as a sex abuse specialist apparently and another claims to provide a "apaththojustice." Then they got Paul Cassell to help for one plaintiff apparently and you have Marty Weinberg and this Tein fellow I saw in another case down there, plus several others. Wow.

I have to tell you I have heard some decent things about Judge Marra. I think I mentioned middlebrooks was recused from my case and we now have both Marra and Magistrate Judge Johnson. She just entered a terrific Order on a motion I filed to make the government pay my attorneys' fees for erroneous and abusive filings they had made. Never know how they will be in the long run; but good signs so far.

Let me know if I can help and in any event, I wish you good luck and out of this mess as soon as possible and on to only positive and productive things.

Take care,

David
