no [REDACTED] has not been here,, in fact i have not heard from her. , but thanks for reminding me. This is about you and I , if you want to make it about others, we can I think that is not in our interest. . I would ask you , to stop nagging me about girls. you are driving me away. This is about you contribuitng , it is the same request . Once again you want to make it about what you get. I am unable to communicate the idea of responsibility to you.

So does this mean you have had [REDACTED] at the house since I left already?  
You give THem a sense of job well done... Lucky lucky girls. They do little besides nodding their heads and spending time with you in beds, baths & beyond and they get to feel good about themselves and think that you care. I know it's tiring to be charming and I guess you are then all praised-out when it comes to me.  
We both made mistakes but I am the only one in timeout here while you are having fun with other people. I don't see a reason to make myself lonely & miserable instead of making the best of this time and doing the same. Not that I have, want or could have feelings for anybody else but I'd like to have fun too and save on electricity.  
I have not heard from [REDACTED] either. I sent her an email to see how she was doing but I haven't heard back..
