in your view of the world, can you tell me why you believe you are entitled to an apt, car money, flying school etc, is it because you have spent the past two years , doing what you can to make me happy, or is it because you beleive that you gave up something , and i should now give you something. If I said I didn;t have a child with one of a hundred girls , that would do it in a flash . would that mean you owe me now. THis is silly,, you don't ask how i am feeling, if iam all right, is there anything you can do.. you ask if i have seen [REDACTED] how long is [REDACTED] staying, , it is too late to stop [REDACTED] from coming to my house, [REDACTED] can't make peanut butter and jelly, [REDACTED] took my SOX.
