Jeffrey,
Gary does not have a copy of the actual file of the model.
Gensler LA's office is closed right now but if i can get the model that they built emailed to me by tonight or tomorrow morning we can move through it, manipulate it, rebuild it or whatever, which i think would be a worth while exercise. Im surprised they never sent you a copy of the model that you could open with sketch-up.

Let me know what you want to do
Andrew
