What can I do so that you have at least a nice 25 birthday. ? would you like a suprise party. ? would you like a massage , i can cook food for you.. you choose. I will make you a birthday dinner. no shrimp.

Sat, Mar 28, 2009 at 3:25 PM Yes, I'd rather not be involved with the goyard car. Even though I can keep pretending it doesn't hurt my feelings that my birthdays, xmas and anniversaries are ignored every year but you consistently go above and beyond for [REDACTED] on every occasion, rubbing it in my face by having me work on her custom seats while she is behaving like a brat is a bit much
