Jeffrey,  
I would like your approval for Rich Kahn to wire final payment to Quite Wing for their support during the fuel tank installation process? This was part of the contract agreement.. it was our discretion to have their representative on sight during the wiring and installation of the fuel tank STC...  
\$20,000

I told quite wing I needed to review their final invoice before sending this payment, original invoice was \$31,348.56 and I negotiated the final payment to be \$23,175.00,,,I already paid \$3,175 via American Express card on Friday night so they would fedex the AFM,,,I gave them my word I would have their final payment on Monday, so they released the aircraft to me for our flight on Saturday.

thank you,  
Larry
