correct, I talked to Bob and he explained the plans still need to look like real plans, floor plans, with square footages, and elevations as well as perspectives to convey images that the CZM staff can visualize. The package will require the same amount of effort whether they are real or not. Dejongh has been our adviser on CZM submittals and knows their requirements and knows the plans are for permit only and will be changed after entitlements. He didn't work off of percentages to calculate his fee and based it on the time it would take to do the plans, fixed fee.

Normal architectural fees for schematic design are 20% of the construction costs.
The proposed fees are below 20%

my estimates:	Dejongh
cottage -- 2700 sq.ft. @ 500=\$1,350,000 @ 20%=\$27,000	\$16,230.77
pool --1800 sq.ft. @ \$1000 =\$1,800,000 @ 20% =\$36,000	\$16,230.77
piano --1600sq.ft. @ \$750 =\$1,200,000 @20%=\$24,000	\$12,984.62
ATV -- 1050 sq.ft. @ \$400=\$420,000 @20=\$8,400	\$11,361.54

what little he's over on the ATV is covered by what he's under on the rest.
comments?

Gary:

I have attached the Fee Proposal for preparing the 4 Schematic Design sets for the buildings you stated below.

Please call when you have reviewed it.

Robert deJongh

Donna

Do you have the proposal for the schematics for the 4 CZM exhibits

- 1.pool building
- 2.cottage
- 3.piano room
- 4.atv building

and a schedule

Thanks, Gary
