Reinaldo , in a different sphere. I get it. As you might guess one of the very few things i do hold dear is loyalty. But as you said horses for courses. Ben is media sensitive, good communication instincts. Is young and unaware of his limitations ( my first concern). has feeble business acumen. He can help keep your message , life , clean. He is not an architect , of a highly complex house of many different rooms, each having to flow, each having its own character and difficulties. HE can answer the door, see that everyone is kept content , orgainzie the staff , both upstairs and down , but you need to decide the program. how much time you want to spend , in each.. don't worry about the household budget,,( just a force of habit). its time to turn that substantial mind on helping yourself.

Be nice to Ben. He is a very able organiser of life and its oportunities. And he watches my back big time.
