Bent to line of thought? Ambitious in what sense? These would be chapter headings ., What have you accomplished ? Were they your true goals?

a letter would be short, and almost definitely revolve around the following:

i misperceived my value in your life, and bent to your line of thought

i spent too long honoring relationship/s that didn't serve me or had expired

i was not career-oriented in the conventional sense, and always veered away from the notion of career woman, though very ambitious..

i have often thought seriously about living a very simple, contemplative life. In stillness there's much more to see than in ordinary existence .

i have followed my heart not money!

did she provide anything to you? I think it would be a benefit to you if you were to write a letter telling me how in you mind you have gotten to this place.. no money , job, etc.. I wan to be helpful,, you should make it as detailed as you feel comfortabnle
