are you don't care that (you chose not to say thank you. --- I didn;t involve you.at all in fact you decided to have a view about something that you, know little about , , re the girl that answered th phone i have no answer yet but i will, I never violated your privacy I am careful not to. , your actions, behaviors , responses are seen by others , they get to have their opinion based on what they see I never ever jump on .I realize you believe their views are all skewed. I can;t decided what you are suspicious about , none of this deals with the issues that you have yet to confront. according to you , you left a great life. gave up much and recieved little in return, now when i thought that a please and thank you was a miniumum , you suggested that request was too late. and weird.

Oh my god! I don't care. I am absolutely sick of these emails and your skewed views about Jenna and other hookers. I don't care what you do with them anymore and if you think they are so wonderful you should keep them, live with them and spend all your time with them. I will not. I don't want to listen to this anymore. Don't involve me, don't tell me what you think about them and please don't violate my privacy by telling them ANYTHING about me.

THANK YOU !!!

PS: I know [REDACTED] told you we went out on friday yet you pretended today you didn't know I was with her..

You insisted there was no girl at you house on friday yet a girl answered you phone when I called...what are you thinking?

well i rechecked, just in case i had, . however it appears that like time and time again there was no thank you. only the email attached.. if you get some courage, why don't you ask Joe , Paul, Jack, people that spent hours and hours with me in jail and in the office. as to their impression of Jenn , People who she interacted with on a daily basis , they didn't cry that jenn didn't pick up the phone , jenn was rude, or forgetful. each one said ,she was a great addition. the fact that you may disagree , is ok , and emblematic of your focus. the issue now that you are afraid that she was going to stay as the only reason that you had asked me to send her away , will color my thinking about what to do.
