you have until april 15 to complete the work. you have ten days to cure after that under the contract. I find the letters of your attorney filled with self serving misleading statements. that will fool no one . It is up to you. You held yourself out as an architect,, my papers which you will get on discovery will make that perfectly clear. The work will speak for itself. If I do not hear from you , personally I will assume the courts in the virgin isalnds will decide what amount of money you owed me, and how much punative damages they decide will be out of my hands. I know you are aware that your past employees will in fact corroborate what i have said,.. i am in palm beach this weekend. if you don't call.. this weekend. dont call.
