Are we done or is Jeffrey still contemplating a counter?

I know this seems an odd plan, but it works for us and gives Jeffrey lots of benefits.

Yes, if bundled with the C++. With that, he can work down from the 12.9 cap and still get the 12.0 of cash back from the C if 750 doesn't sell.

Is there any advantage to get deposit money to you before april 1st?  
Just a thought,  
Larry

Happy to quote, but if disconnected from the March deal, it will be an April quote and price.

Marc and Howard,

Per my discussion with Jeffrey, here is a spec we would like to get quoted for the S76D model.  
Base price VIP executive "S76D" \$12,120,000.00 per the contact we received, to include the following outfitting.  
-seat design wrap around seat back with Mercedes style fold down arm rest, like serial #750.  
-forward bulk head limo window same size as serial #750.  
-light switch location same as serial #750.  
-LED landing lights, position lights, recognition lights and rotating beacon upper and lower (this may be standard in Base line price).  
-Four Bose headsets only in passenger compartment, connected to cockpit Intercom system, located at each corner of passenger compartment.  
-NO entertainment or switching required.  
-extra year of warranty to 3 years total. (if memory serves correctly I remember seeing \$79,000.00).  
  
-credit of \$55,000.00 for the 10 hours of charter time from AAG that is included in base line contract pricing.

All of the items I have listed have recently been completed and engineered for Serial #750 and are interior only modifications, and should have minimal if any impact on pricing.

Thank you,  
Larry Visoski
