Jeffrey,

The custom carpet you desire can be fabricated in 9 weeks delivered,, from Mike at Plane Perfect Interiors in West Palm Beach, using Red Rock Carpet mills in US.. (this company did the Boeing carpet installation).

Wool price is \$560.00 per yard (18 square yards \$10,080.00).

Silk price is \$990.00 per yard (18 square yards \$17,820.00).

(The sample Sarah provided is silk)

I need to clarify quantity of order, at this time Sikorsky is telling me to order 40 Sq. yards,,I have confirmed with Eric Roth that 16 to 18 yards is correct amount for two sets of carpets.

would you like a sample of the wool? (I will find out cost to make sample of silk and wool if possible).

Larry
