[REDACTED] europe search,, [REDACTED]. all NEGATIVE --"-tell me how long they will stay don't change your mind, - be kind to [REDACTED]." how am i to respond? -- with valdson in the house fro two weeks,, one egg sandwich , the only thing served from you - for three weeks. its crazy. I have asked you , to propose a role, you have not done so.. i love you and do not want to have a blow up , you feel it incumbant it seems to snipe at those that are helpful. -- attacking them -- not once have you said ,, boy it was nice that -----did that fo you not once. . you find it more appropriate to spend thousands of dollars on a gift for you grandfather than for [REDACTED] or the people who actually have been helpful to you. i will be happy to talk to [REDACTED] if you think it would be helpful, two days after i ask that you and [REDACTED] not be gone the same time. you ignore it,, its fine but just one more example of no matter how i ask, nor no matter what i suggest,, you seem to want to do it your way. its ok.. but only for you.. it does not work for me.. I do not burden you with the stress of my legal issues.. , i'm sure if i had more patience in reserve i would feel differnetly. but i hesitate to talk to you because virtually evertime you have something negative to say. i say , in an attempt not to have a fight , trying to find a non- hot topic that its sad that story and [REDACTED] are having sex issues,, your response, yea thats because [REDACTED] a bitch.. so we continue in silence . . .
