I spoke to Jack and I called Duane just to get an idea of what I/we are dealing with and as I suspected, he is an idiot and will not make any decisions that would require him to think outside the box, so he is telling me I have to talk to Bart, his supervisor. Bart was my supervisor at one point and I am quite certain that he will have the same approach and ultimately defer to Roz. So, the question is how would you like to proceed? I can try to talk to Bart or I can call Chris Lane's supervisor in Tallahassee and see if she can move it?? The problem is they haven't transferred a community control case here so they don't think it's possible.
