Im afraid there is no time for me to come, because i might leave on thursday...but hopefully when ill be in Paris ill get some job in NY and then ill stop by for sure...
i think i saw that before as well, but then it was fun and something new and exciting. now it feels like he is a stranger to me...

Hi..I just woke up in his apt.
He got back last night at 10.30 and I was so pissed he barely texted me whole day so I just went to bed.then he called me and I said I'm staying home but after I changed my mind.some ppl were over at his place and I told him I'm not coming over until ur alone there.he was like its ok we can go to my room.I said either ur gonna be alone and I'm coming,otherwise I'm staying home.so of course he send ppl away.
So I putted on sexy corset I bought that day with suspendor and stocking no underwear.I put on big skirt and some shirt so u could have never guessed what I'm wearing under.I was all in black...like a nun.
I came,we talked a little,after he realized I'm not wearing underwear,we went to his room.I took off my clothes aggressively...and then I gave him a blow job for a while and then I was on top,then he turned me over on back and I strongly pushed him back so I could be on top again.and u know I was doing all these sexy poses and playnig with my boobs...yeah I'm sure he liked it.but I was still so pisseed and so over him....and THEN after sex I'm just sitting on top and he said wow is one boob bigger then the other one?did u know that?I'm like yeah,he said why?I said cuz since I met u my heart got bigger...and then he talked about it for a little.like how come I haven't notice before...bla bla...so stupid!!!!and then I slept over.

U were right I'm really lonelly but I'm not really stressing about that...
Sorry email is so long but I thought u wouldn mind all the details...
