Jeffrey,
Darren's jet ranger is not available, a friend of his would like to USE a helicopter tomorrow to fly PBI to Key West and wait all day, while they go on a fishing charter then return later same day, they are will to give \$1,500 per hour plus \$50.00 per hour waiting time, we should be able to get \$4,900.00 total time on Bell 407 would be 3 hours (1.5 hours each way).
would you like me to do this? (4 people total) plus Darren and I..
thanks.
