where are you and what are you doing? explain why it has been so difficult for you to find time to concentrate on something that was only for your benefit.. it makes little sense

Hey Jeff ,
I was just on the phone with Sandy , I organized last week to talk to her today. I am thrilled beyond belief to be going on this trip . Please don't think I'm not. This means so much to me and this is the chance of a life time . Seriously thank u a million times. I also was speaking to Mattie last week via email and we are both on the same page about the trip.

Love and thank u !

Hey Jeff!
I'm staying in NY for a little, in a good rhythm with Tora , working out and eating healthy. I started making those smoothie drink recipes your friend sent me. Really good ! I was thinking the beginning of June to come to Palm Beach, I will let u know for sure. Hope all is well. Xx. Miasha
