instead of simply asking why,, you feel a need to challenge me.. the answer is that those things are important to me so I want them in my new office. where i will be spending my time,, i have begun to transition to the house. i have cleaned out all my drawers and am choosing what needs to stay and what i would prefer to go. so if anything you should feel complimented, - i want to be picked up at 10, if you are in another one of your moods have jaushch do it
