Curtis mentioned moving forward with below work, would suggest that we postpone any forming or road work until after Wednesday DPNR inspection
Please advise

I would like to see a sample on the roads with road edging// I think one of the next projects should be to make to roads around the islands clean graded and smooth... even if we have to have mono from the ranch come out for a month.. IN additon I have engaged a landscape planner (Mr Caplinger,) th come to the island.. I have worked with him before... (he s experieined and talented..) HE will contact curtis and you,,,,, thanks

To JEE
gravel, Tom M has been using some for back fill around new Electrical Pad for office pavilion, also a couple of shots of ceiling progress.
Brice

We found the real 'Hotel California' and the 'Seinfeld' diner. What will you find?
