I received your letter. and would suggest to you that it is the same letter that you have written , many times to me before, almost word for word, , about how you need to re-think, modify, change. you were in My house, My guest, eating My food , being waited on by My staff, and all you could think about was YOU were not getting what YOU wanted,, not was Jeffrey having fun , how did he think about it, just the same old selfish, self centered, exaggerated sense of self and contribution
