Hi Jeffrey!!!

I wanted to send you an ENORMOUS thanks for helping me with all my silly issues and offering to help with Dr. K's visits. (My parents send a huge thanks to you as well and they hope to thank you in person one day for being so kind to me all these years)

I'm still having moments but overall I am feeling much better and at times it seems like I could tackle the world!! I've even had thoughts of joining the Peace Corps 😊 which might not be the best idea I've ever had but sounds good at the moment.

Dr. K would like to see me once a week, however, I wanted to run this by you first since he charges a whopping \$400 a visit. Is this ok or should I let him know that I need to go less often?

Xo
