Hey,

I just downloaded an app for my iPhone called WhatsApp.

It is a Smartphone Messenger which allows me to replace SMS and chat directly with my friends and contacts. This app even tells me when somebody is typing back a reply!

WhatsApp integrates seamlessly with your existing phone Address Book and there is no PIN or username to remember.

Get it now from <http://www.whatsapp.com/download/> and say goodbye to SMS.

Sorry for all the typos .Sent from my iPhone
