26 years ago this weekend,, you came to the house on banyan, for the first time .. In the previous jan , on the fifteenth, Kari Lai , had given me your number after working with you at Cuella in Hamburg, you were staying on 79 th street, i picked you up in my rolls royce , wearing cowboy boots Bobby goldsamt had reccomended the italian restaurant on 83 and lex,, il travatore.. you had lobster ,,through a space in your teeth, you told me that your" eeenglesh " was not very gutt,, you came from a little fishing village , and you enjoyed playing cards with your grandparents. The rest is history
