Professionally appraised material that you take possession of, but it can not leave France. National Treasure stuff. Appraised between 8 and 10 mil. several years ago. Gifts of Queen Elizabeth and Henri Navarre, and so heritage stuff, and so, can't leave country.

You would have to put it in either a Paris Vault or your Paris apartment.

Can we make it 8 million in secured credit? Just easier. What would be your loan rate?

Serious question for an opportunity:

For a 3.5 mil loan for one year...

How much actual and real secured collateral would you need (amount of value)?

What would be your loan rate?

Is this possible?

This is actually a real question.

Appreciatively,
