Yes! I went to the Hamptons this weekend and I have had so much fun. The crazy thing is... Is that I have met a Brazilian girl and I like her so much. She likes girls but said she is tired of them right now. You would find it funny but I am hitting on her now. There is just something about her that I really like.

I would loooove to see her but I understand that you have helped her a lot and want her to start living reality. I hope to see her sometime soon. Wishing you the best and hope everything is working out in your favor.,
Miss you!
