Hey..how are you Jeffrey?well i have some news...
there was this huge bday party at maritime hotel with my friends who r smart and my really close friends and after we went to [REDACTED] ([REDACTED] club) and they dont really like him but they know there is smth going on between us..and i was hanging out with them whole night and early morning [REDACTED] had to leave upstate till sunday and i knew there wont be much time to come to m apt after so i decided im gonna tr smth new..i texted him if he wanna go to his office for 5 min..so we went to some room..i started to kiss him and then he said there is cameras so i said is there any place where is no cameras? so we went to private bathroom..and we were kissing again and then he was like we dont have a condom i and said yes we do...(i started to have one in my bag all the time , just in case.. :)))) so we fucked a little bit but it was just too hard we didnt have much time so it didnt really work..but he was very excited, he was like are u serious?and then I adore you and bla bla bla...and on his way away he just run up to m apt for 5 min and we finished what we started and then he had to run...so it was all very exciting...:))))
