[REDACTED]

I just spoke to Dave Christopher and have set up a meeting at the house for 11:00 AM Wednesday. He said he would not be returning until after dark on Tuesday and we agreed that it would be best to see everything in the light of day.

Bill forwarded a list of items to be addressed, which I will investigate and record. There are some items like the kitchen and bathroom remodel that will need some additional input in order to establish a final cost, but I can probably give you a budget based upon certain assumptions, and move forward from there.

Should you have any further instructions or specifics prior to the meeting on Wednesday, just forward to me by email and I will respond accordingly.

Regards,

Walt

That was a good number. I spoke to Dave and he will be back at the house and will call me tomorrow for a site visit. I will let you know as soon as we have set something up and I will get back to you after I have completed the inspection.

Thanks -- Walt

I called the number you forwarded but it was for a man named Christian who has a cabinet shop. He knew nothing of a house in Bolongo.

Maybe you picked the wrong number from your directory.

If you can get the number, I am in the office for the afternoon.

Thanks -- Walt
