what do you need?

2009/6/29 [REDACTED] >

How are you?

I registered for 2 classes for Fall semester at FIT.

I remember you offered to help me paying for my school and I would love your help.

I am planning to take 2-3 classes each semester because I work.

Let me know.

Kisses

PS. If you have friends in NY with dogs, I d love to offer them our services of walking and pet sitting.
